The first step in a successful recovery is an accurate diagnosis. At Orlando Health Imaging Center, our physicians are highly skilled at finding the problem so you can start getting better. In fact, your screening exam will be evaluated on-site by a board-certified radiologist, ensuring the quickest path to treatment.

At Orlando Health Imaging Center, we use the most sophisticated imaging tools to ensure that our images are detailed and accurate.

Plus, our people are dedicated to making you as comfortable as possible during your appointment. If you would like to make an appointment at our Downtown Orlando location, please visit our website at OrlandoHealth.com/ImagingOrlando.
